

# BANNED CARD LIST

NOVEMBER 2011

NOT ALL FORMATS BAN CARDS. Any copies of cards on this list (reprints, AIs, foils, etc) are also included on this Banned Card List. Please check the rules of your tournament's format to see if cards are banned in that format, or if any additional cards are also banned in that format.

- |                                                                 |                                                               |
|-----------------------------------------------------------------|---------------------------------------------------------------|
| All Threes. . . . . Interrupt                                   | Qol (Lascivious Lackey) (2E) . . . . . Personnel – Ferengi    |
