

THE CONTINUING COMMITTEE

First Edition Current Rulings Document (05 January 2015)

Current Rulings are periodic updates to the First Edition Rulebook, including changes, clarifications, and situations it does not address. Current Rulings are an official supplement to the Glossary and should be used by tournament directors in making tournament rulings. (The rulebook is intended for beginners and should not be used for rulings.)

Answers given by official Continuing Committee representatives are not official until included in an official rules document such as the Current Rulings, Official Clarifications, or Official Rulings. Such answers are highly recommended for use by tournament directors, but the Tournament Director always has the final authority on rulings.

This document contains all Current Rulings issued since the Glossary v1.9.2. Entries that are new, changed, or expanded since the last Current Rulings document are marked with an asterisk (*) before the topic and in **red text**. These rulings are effective immediately.

- If your download is invalid because you could not produce the target card(s), your opponent is allowed to look through your hand, draw deck, Zalkonian Storage Capsule, and Q's Tent (if open), or any other source specified for the download.
