

THE CONTINUING COMMITTEE

First Edition Current Rulings Document (04 January 2016)

Current Rulings are periodic updates to the First Edition Rulebook, including changes, clarifications, and situations it does not address. Current Rulings are an official supplement to the Glossary and should be used by tournament directors in making tournament rulings. (The rulebook is intended for beginners and should not be used for rulings.)

Answers given by official Continuing Committee representatives are not official until included in an official rules document such as the Current Rulings, Official Clarifications, or Official Rulings. Such answers are highly recommended for use by tournament directors, but the Tournament Director always has the final authority on rulings.

This document contains all Current Rulings issued since the Glossary v1.9.3. Entries that are new, changed, or expanded since the last Current Rulings document are marked with an asterisk (*) before the topic and in **red text**. These rulings are effective immediately.

RULINGS – General

***capturing** – add: Capture-related cards may still use captives.

***downloading** – change the last sentence to
If a card allows you to “download and seed” a card, it is placed under the mission **(or Empok Nor if this occurs during a commandeering attempt at Empok Nor)** as the last-seeded card (to be encountered next).

***infiltration-related:** any non-personnel card whose gametext mentions “infiltrating”, “infiltrator(s)”, or “infiltration icon(s)”.

***morph card:** any non-personnel card whose gametext includes “morph”, “morphs”, or “morphing”.

***Q-related dilemma** – change the entry to:
The phrase “Q-related dilemma” (on Q2 and Adapt: Negate Obstruction) refers to regular Dilemma cards with Q’s name in the title, either as a word, or offset by hyphens within a word, such as the Q dilemma, Q’s Vicious Animal Things, Exe-Q-tioner, and Q Gets the Point, and to any Q-icon Dilemma card. A Q-Flash doorway is not a Q-related dilemma.

***scouting locations** –change the second bullet in the fifth paragraph to:

- Gender-related requirements and targets cannot be met by Borg-affiliation cards. If there is an alternative which is not gender-related, the Borg must try to meet that; otherwise discard the dilemma.

***stopped** – replace the text “staff a ship for the purposes of ship movement” with “staff an unstopped ship.”
