

THE CONTINUING COMMITTEE

First Edition Recent Rulings Document

(6 June 2022)

The Recent Rulings Document lists all Glossary updates and new temporary rulings issued since the last *regularly scheduled* rules update. Rules updates are scheduled for the first Monday of each month and for the official release day of any new expansion set.

Because the Glossary and Rulebook are kept continuously up-to-date, there is no need for players or tournament directors to consult the RRD, as long as they have the most recent posted copy of those core documents.

Any player who does *not* have the most recent monthly Glossary or Rulebook but wishes to play by current, official rules will need to collect and save each new Recent Rulings Document until reprinting the core documents. (Old RRDs are archived *unofficially* at the [Starship Excelsior Rules Archive](http://www.trekcc.org) while we work on a permanent on-site solution)

Unless announced by the Rules Manager or Director in an expressly designated Official Ruling, answers given by Continuing Committee representatives are not official until included in an official rules document such as the Glossary. We recommend that Tournament Directors consider unofficial answers, but, until an Official Ruling is made, the Tournament Director reserves final ruling authority.

TEMPORARY RULING UPDATES

New temporary ruling:

To begin a mission attempt, or to solve the mission, at least one crew or Away Team member must match one of the mission's affiliation icons (if any).

This rule, while well-known, is not currently clearly stated in the Rulebook, which is a rather serious Rulebook oversight.

The temporary ruling about unique dilemmas and Disrupted Continuum remains in place this month.

The temporary ruling about forces winning battles remains in place this month.

See the Glossary for the permanent list of temporary rulings.
