

# THE CONTINUING COMMITTEE

## First Edition Recent Rulings Document

(1 July 2024)

The Recent Rulings Document lists all Glossary updates and new temporary rulings issued since the last *regularly scheduled* rules update. Rules updates are scheduled for the first Monday of each month and for the official release day of any new expansion set.

Because the Glossary and Rulebook are kept continuously up-to-date, there is no need for players or tournament directors to consult the RRD, as long as they have the most recent posted copy of those core documents.

Any player who does *not* have the most recent monthly Glossary or Rulebook but wishes to play by current, official rules will need to collect and save each new Recent Rulings Document until reprinting the core documents. (Old RRDs are archived *unofficially* at the [Starship Excelsior Rules Archive](http://www.trekcc.org) while we work on a permanent on-site solution.)

Unless announced by the Rules Manager or Director in an expressly designated Official Ruling, answers given by Continuing Committee representatives are not official until included in an official rules document such as the Glossary. We recommend that Tournament Directors consider unofficial answers, but, until an Official Ruling is made, the Tournament Director reserves final ruling authority.

### GLOSSARY UPDATES

#### Assign Mission Specialists –

In the third graf, insert "(once per mission)" after "complete a mission."

Revise the fourth paragraph as follows:

For example, the mission Reported Activity requires Navigation + Honor x2. It is solved by the following Away Team: mission specialists B'ijik (Navigation), Konmel (Navigation), Kahless (Honor x2), and two copies of Batrell (Honor), plus non-mission specialist Governor Worf (Honor x2 plus other skills). ~~A maximum of 15 extra points may be scored (5 by Kahless, 5 by one copy of Batrell, and 5 by either B'ijik or Konmel, but not both). Any of the mission specialists may score 5 points. Batrell need not meet the entire requirement to score the points, Kahless is not forced to meet the entire Honor x2 by himself may choose to contribute only 1 Honor (to make room for Batrell), nor is and Governor Worf required to use need not use his Honor at all.~~

### TEMPORARY RULING UPDATES

A new temporary ruling regarding mission quadrants: **A mission is considered to belong to the quadrant in which it is seeded. For example, a mission seeded in the Delta Quadrant is considered a "Delta Quadrant mission" for all purposes, even if it lacks the  symbol.**

A forum ruling announced last week (regarding Vidiian Harvester) is incorporated into the Glossary today without an intermediate step as a temporary ruling.

See the Glossary for the full list of current temporary rulings.
