Current Rulings Document

(7-Jul-2008)

Current Rulings are periodic updates to the Second Edition Rulebook, including changes, clarifications, and situations it does not address. Current Rulings are an official supplement to the Rulebook and should be used by tournament directors in making tournament rulings.

Answers given by official Continuing Committee representatives are not official until included in an official rules document such as the Current Rulings or Official Clarifications. Such answers are highly recommended for use by tournament directors, but the Tournament Director always has the final authority on rulings.

This document contains all Current Rulings issued since the Call to Arms Rulebook (August 2003). Entries that are new, changed, or expanded since the last Current Rulings document are marked with an asterisk (*) before the topic. These rulings are effective immediately.

This document is divided into three sections. The first section covers general rulings, the second section covers card-specific rulings and the third section lists cards that have received errata.
